

Evidence for the Global Flood (Answer Sheet)

Sadly, many people (including some who profess to be Christians) do not believe that the Global Flood was a real event. If someone asked you for proof, what would you say? Let's get started!

After watching the video, please answer the following questions:

1. Besides the book of Genesis, the Bible includes several references to the Flood and/or Noah. Can you name at least six of them?

Psalms 104:5-9 (Flood)

Isaiah 54:9 (Flood & Noah)

Matthew 24:37-39 (Noah, Flood & Ark)

Luke 17:26-27 (Noah, Flood & Ark)

1 Peter 3:20 (Noah, Flood & Ark)

2 Peter 3:6 (Flood)

1 Chronicles 1:3-4 (Noah)

Ezekiel 14:14, 20 (Noah)

Luke 3:36 (Noah & Shem)

Hebrews 11:7 (Noah & Ark)

2 Peter 2:5 (Noah & Flood)

Luke 17:26-27 (Noah, Flood & Ark)

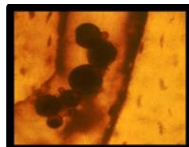

2. The Fossil Record provides great evidence for the Global Flood. Circle the evidences below that you found to be the most convincing.

Rapid burial

Violent death

Soft tissue (e.g. blood cells)

Marine fossils on mountaintops

Marine & land creatures buried together

Why were the evidences you chose the most convincing?

(personal choice)

3. The eruptions of Mount St. Helens rapidly changed the areas around it! Name four changes that resulted from the eruptions.

Large areas covered in deep ash

Rapidly deposited layers of ash and mud

Broken trees / wiped out forests

Trees floating in Spirit Lake

Rapidly created canyons (e.g. Step Canyon)

4. There are at least 300 legends about the Global Flood from all over the world. How and why do you think this happened?

After the Global Flood, God told Noah and his family to spread out and fill the Earth (Genesis 9:7). However, the descendants of Ham, Shem and Japheth (Noah's sons) disobeyed God and stayed in the region of Babel for hundreds of years. When they decided to defy God and build a huge tower, God stepped in and confused their languages. This caused them to stop working on the tower and spread out over the Earth (Genesis 11:1-9). Because the Global Flood was an important element of their history, when the people scattered, they brought the story of the Flood with them.

Key Takeaways

The Global Flood was a real event not a fairytale.

1. The book of Genesis includes four chapters about the Global Flood.
2. Several books of the Bible outside of Genesis reference Noah and/or the Flood.
3. Jesus Christ referred to the Global Flood as a historical event (Luke 17:26-27)
4. There is a lot of physical evidence to support the Global Flood.
5. We should always do our best to love the Lord with all our hearts, and be kind to one another as we wait for the day King Jesus returns. Until then, we should be prepared to witness to other people who ask us about our faith (1 Peter 3:15).
