

The Global Flood (Grades K-2)

Many of us have heard the story of Noah's Flood. Why did God flood the Earth? How many animals were on the Ark? How long did the Global Flood last? After watching the video, please answer the questions.

1. God flooded the earth because people had become very e ____ ____ ____ . (Genesis 6:5)
2. God felt very ____ ____ ____ that He had to wipe out all of the land animals and people that were not on the Ark (Genesis 6:6).
3. About how many animals were on the Ark? (circle the correct answer)
 - a. 50
 - b. 300
 - c. 7,000
 - d. 100,000
4. Which one of the pictures below looks most like the real Ark? (circle the correct picture)

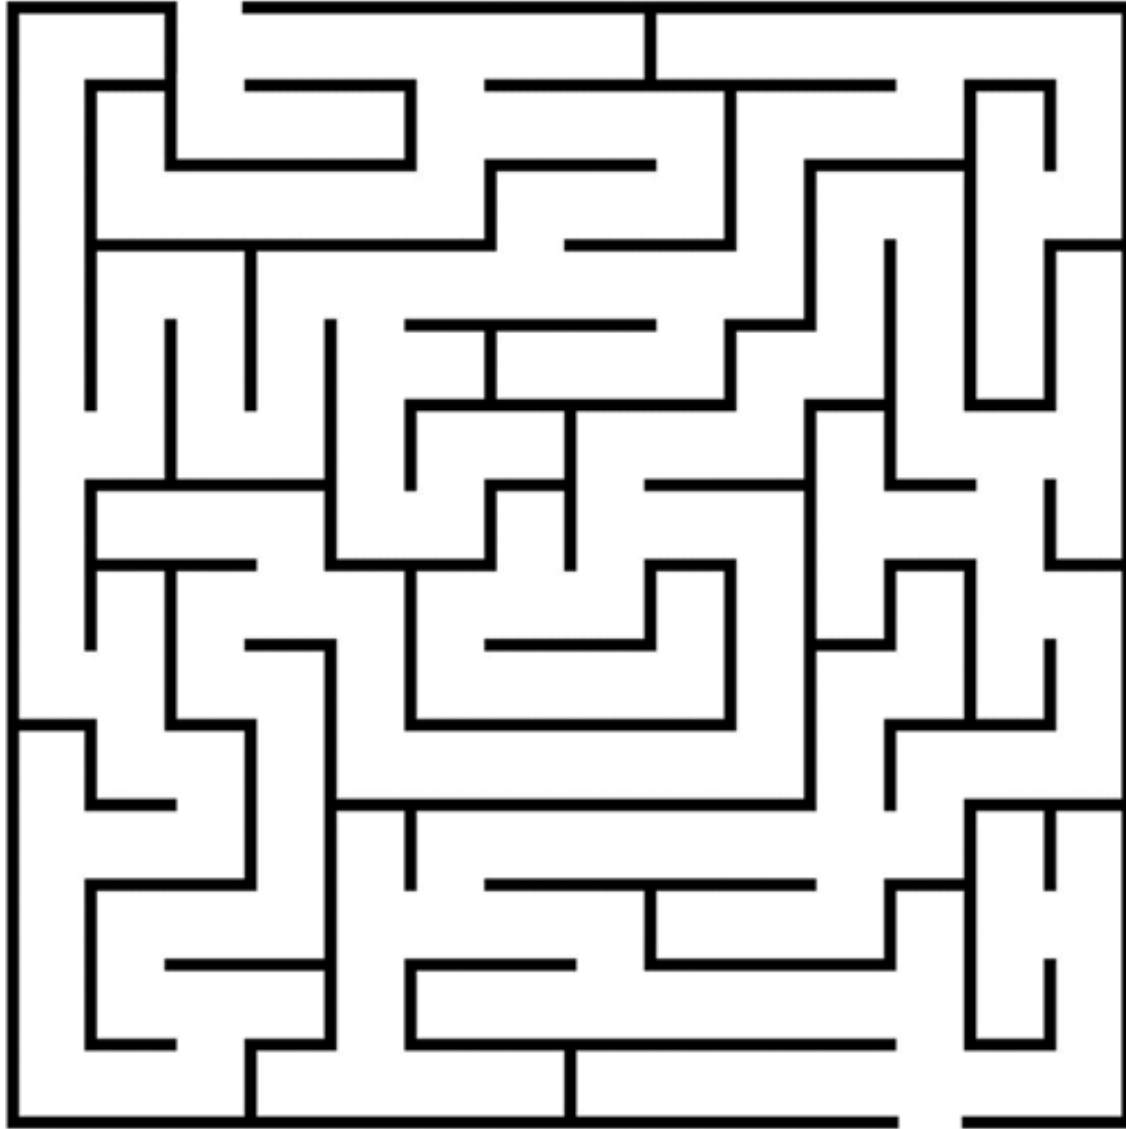

5. How long did the Global Flood last? (circle the correct answer)
 - a. One week
 - b. 40 days
 - c. 370 days (about one year)
 - d. Three years
6. What did Noah say we should remember when we see a rainbow? (circle the correct answer)
 - a. It will probably rain tomorrow
 - b. God loves us and promised not to flood the whole earth again. We should do our best to listen to God and do what He tells us to do.
 - c. Rainbows are pretty

The story of the Global Flood is not a fairytale: it was a real event that reminds us of how God feels about evil. Let's all do our best to love the Lord with all of our hearts, and be kind to other people as we wait for King Jesus to return.

Please help these deer find their way to the Ark!

Activity: there were about 7,000 animals on the Ark! As you color the picture below, thank the Lord for creating such amazing animals!
